The screenshot shows the x2VOL website interface. On the left, there is a Facebook widget for x2VOL with 181 likes and a Twitter follow button for @x2VOL. Below that is a 'DistrictAdministration TOP 100 PRODUCTS 2011' badge. The main content area features a 'Join x2VOL' banner with a photo of a man in a blue shirt working on a wooden structure. A smaller inset photo shows a destroyed building. Below the banner is a quote: "We helped a family that lost everything start over." Underneath the banner are two tabs: 'Volunteers' and 'Organizations'. A text box below the tabs reads: "Join x2VOL to find opportunities based on your interests and keep a detailed record for your school or college application." On the right side, there is a login form with fields for 'Email' and 'Password', and buttons for 'Login' and 'Register'. Below the form are links for 'Can't remember your password? Receive a Password Reminder' and 'If your school has pre-registered then Complete Registration Here'. A black arrow points from the text box below the banner to the 'Email' input field in the login form.

Enter your Email Address and your initial password is your Student ID. Follow the instructions to complete your profile.

Activity Details:
Students are invited to play video games with the children the day before surgery.

Activity Reflections:
I played Viva La Pinata with a seven year old boy that was undergoing cancer treatment the next day. It helped him take his mind off of his surgery. Even though he was nervous he was very brave. His optimism inspired me!

Notes from your Counselor:
Sounds like a great experience Preston! Good job!
